FEDERAL PUBLIC SERVICE
MINISTRY OF EDUCATION
UNIVERSIDADE FEDERAL DE SERGIPE
DEPARTMENT OF POST-GRADUATION AND RESEARCH

Post-Doctoral National Program
Programa Nacional de Pós-Doutorado (PNPD)

Universidade Federal de Sergipe – Brazil, through the Department of Post-graduation and Research, is glad to invite scholars who meet the demands established here, and in conformity with the PNPD/CAPES-2013, to present subscriptions.

The Post-Doctoral National Program is a result of the fellowship between the Coordination for the Improvement of Higher Education Personnel (CAPES), the National Council of Technological and Scientific Development (CNPq), and the Funding of Studies and Projects (FINEP). The goal is to provide post-doctoral fellows with possibilities of study in strategic areas of research.

PURPOSES

1. To promote high level studies;
2. To reinforce research groups;
3. To upgrade the level of scholars who are part of Graduate Study Programs in higher education and research institutions;
4. To promote the engagement of Brazilian and foreign researchers at a post-doctoral level, encouraging their integration with research projects developed by Brazilian Graduate Study Programs.

BENEFITS

Being offered: 1 (one) Post-Doctoral grant from the Post-Doctoral National Program (PNPD) for an approved fellow, for a period of twelve months, with yearly renewal allowed for up to 60 (sixty) months. The monthly amount of R$ 4,100.00 (four thousand and one-hundred reais) will be paid directly by CAPES to the selected applicant.

REQUIREMENTS AND ATTRIBUTIONS OF THE APPLICANTS AND FELLOWS

It is required that the applicant:

1. Have a doctorate degree when the grant is implemented, obtained in courses evaluated by CAPES and recognized by CNE/MEC. In case of a degree from a foreign institution, this must be analyzed by the Graduate Study Program related to the proposal;
2. Make available an updated résumé at Lattes Platform (CNPq) or, if a foreigner, a résumé with the records of patent registers and/or publications of scientific and technological works of impact and/or awards of academic merit;
3. Be employed or working;
4. Write an Annual Report of Activities to be submitted for approval by the Graduate Study Program and forward a Final Report within 60 (sixty) days after the end of the grant;
5. Dedicate himself/herself to the activities of the project;

6. Pay back to CAPES any irregularly received financial resources due to non-observance of the rules of PNPD, unless motivated by random cause, higher force, some unwanted circumstance or a serious disease well proved and justified. The evaluation of these situations will be conditional upon analysis and deliberation by the Executive Board of CAPES, in a justified dispatch.

SUBMISSION
Interested applicants must send an email to posgrap.ufs@gmail.com indicating the Graduate Study Program of interest.

EVALUATION AND SELECTION PROCESS
The evaluation and selection process of the applicants will be conducted by the Graduate Study Programs according to the criteria decided by the Council of each specific Program.

SCHEDULE
Each Graduate Study Program will define its schedule.

PROGRAMS
Applicant openings are distributed in the chart below.
